SJWPA Annual Members Directory

Forms & Payment must be received by November 16th, 2026

The *South Jersey Water Professionals Association* sincerely appreciates your support of our non-profit organization. In a way to both support our Annual Ladies' Night Event and give thanks and promote our member and non-member Vendors, our organization publishes an Annual Membership Directory. This Directory is distributed amongst our members, to keep our industry colleagues "in the know." Our Directory will give you a glimpse of bi-monthly meetings and other events throughout the past year, important information to access industry resources, contact information for your associate Vendors and Members, and announcements of awards granted throughout the past year.

Advertisements are welcome from Water Works Suppliers, Manufacturers, and Consultants, etc., and are welcome from members and non-members alike who wish to be a part of our publication. **Please feel free to pass this information on to anyone you feel may wish to be in our directory.**

This is a great opportunity to get the word out about your business venture to professionals in the water and wastewater industry throughout Southern New Jersey and beyond. Your support is greatly appreciated.
